I'm fine with [REDACTED] not joining for Saturday, given that he wouldn't be taking part in any of the official events. Per this plan, I'll be at the station Saturday AM no later than 10. Abby

Hi [REDACTED]

No problem. I can bow out of this one.

The only logistical hurdle on Saturday is the train pickup. Mark, Milan and I talked through the details of the arrival yesterday. If Mark could bring the Administrator from the platform up one floor to the area by Chef Express (where we met yesterday), Abby will be there to greet Mr. Pruitt. If someone on the EPA team could take the Administrator's bags up to the next level, Abby will have the two porters waiting there to take his bags. From there, you will proceed to the Kiss and Ride where the motorcade awaits. Kevin, from what we discussed yesterday, can help load the bags into the luggage van, ride with the van, and make the drop offs at the Savoia and BW Towers. The rest of the delegation will stop at the Savoia with the Administrator.

Please let me know if this sounds good to everyone.

Thanks,

We have more restrictions on the U.S. side for the FICO lunch and must include the US. Businesses and universities coming on their own experience. [Ex. 6 - Personal Privacy] you are on the list, but unfortunately we don't have you, [Ex. 6 - Personal Privacy]. Three security will be inside, but two will be outside and not included in the count. We also took off EPA's Hodayah Finman and Mandy Gunasekara. Public Affairs staff and Fede will be in the room. But not at the sit down lunch.

Thanks again and see you Saturday! [Ex. 6 - Personal Privacy]
